Ask Yourself These Questions:

1. Can I afford to pay my employees \$15/hour minimum wage and give them paid sick time off?
2. With all of the burdens that the State is imposing on how I hire, schedule and pay my employees, is **self-serve** starting to sound REALLY appealing?
3. Will my business suffer if the State increases taxes on tobacco and raises the purchase age to 21?
4. How can I get my credit card costs under control?
5. Do I have the most current and up-to-date information on the NEW NJ DEP Underground Storage Tank regulations?

Don't be the one with your head in the sand!
