Instructions - PETROLEUM PRODUCTS GROSS RECEIPTS TAX - FLOOR STOCKS INVENTORY REPORT Form PPT-G-INV

Anyone, other than those holding a [direct payment permit](#) with a tax free inventory, holding gasoline or liquefied petroleum gas will be required to file a floor stocks gasoline inventory report on form PPT-G-INV. Please do not report diesel fuel gallons on the gasoline inventory report.

Please keep a copy of your inventory report as you will need to know the inventory you reported to complete your gasoline floor stocks tax return, form PPT-G-FS

Your name, address, federal identification number, email address, and phone number must be included on the top of each form.

Section 1

In section 1 you must separately state the number of storage tanks that you have with a capacity of less than 10,000 gallons and the number of storage tanks that you have with a capacity of 10,000 gallons or more. This information will be used to calculate the credit you are allowed for dead storage.

A worksheet has been provided if you have inventory at more than one location. List the address of each location, the number of tanks, tank capacity of each tank, and report the totals in section 1.

Section 2

In section 2 you should report the total inventory on hand at the close of business on October 31, 2016 on which tax has been previously paid. You will need the inventory reported in this section to complete your gasoline floor stocks tax return which is due at a later date.

If you have more than one location please use the worksheet provided to report the inventory at each location and report the totals in section 2.

All forms will be available on our web site www.state.nj.us/treasury/taxation/.
