

# NEW JERSEY EMISSION INSPECTOR TRAINING

## REGISTRATION PAGE

page 1 of 2

In order to be licensed as a **Motor Vehicle Emission Inspector**, an applicant must complete an approved training program that provides a detailed understanding of inspection related issues. NJGCA is proud to offer a course that is comprehensive and fulfills all state requirements. Our course curriculum includes an overview of state rules and regulations as they pertain to inspection and various emission repair issues. Technicians will be required to pass both a Written and Hands On exam. Technicians passing these exams will be certified and licensed as Motor Vehicle Emission Inspectors.
