

STUDENT APPLICATION
TRAINING OVERVIEW

In order to be licensed as a Motor Vehicle Emission Inspector, an applicant must complete an approved training program that provides a detailed understanding of inspection related issues. NJGCA is proud to offer a course that is comprehensive and fulfills all state requirements. Our course curriculum includes an overview of state rules and regulations as they pertain to inspection and various emission repair issues. Technicians will be required to pass both a Written and Hands-On exam. Technicians passing these exams will be certified and licensed as Motor Vehicle Emission Inspectors (INL license holder).

TRAINING CLASS DATES

TUESDAY, NOVEMBER 17, 2020 &
WEDNESDAY, NOVEMBER 18, 2020

NJGCA Members: \$479.00

Non-Members: \$529.00

All training sessions are paid in full at time of registration.

If a student registers, and subsequently does not attend the session they registered for, a \$100.00 reservation service charge will be applied before any reimbursement is issued.

To register, a clear scanned copy of the complete three-page application, payment, and copy of student's driver's license must be received via email by 12 noon on NOVEMBER 9, 2020.

DAY 3 (OPTIONAL): Diesel Hands-On Training

On the Registration Page, please indicate if you wish to include Diesel Hands-On Training.

- For an additional, nominal fee of \$100.00 our instructor will travel to your location of employment (or other designated location) to conduct the Diesel Emissions Inspector Hands-On Training.
The arrangements for this selection can be made directly with the instructor.
Please note that this fee is not paid to NJGCA, but is paid directly to the instructor.

SAFETY & COVID-19 INFORMATION:

- Due to the ongoing COVID-19 pandemic, the dates and times outlined in this Application are subject to change in compliance with ongoing public safety directives, as mandated by Federal and State officials.
If a class is cancelled because of official government orders (or, alternatively, due to a directive by the property management company), we will make every effort to consult with MVC and reschedule the class in a timely manner.
Your safety is a top priority. To safeguard the health of our students and staff, class participants are required to wear face covering while inside the building (including the common areas, the classroom, etc) and respect social distancing guidelines while attending our training.

STUDENT APPLICATION INFORMATION SHEET

GENERAL INFORMATION:

- Application deadline is NOVEMBER 9, 2020 at 12 Noon.
Students are only registered for a training session once a complete Application is received...
Per MVC guidance, class sizes are limited to 12 students.
To register, please scan the completed three-page Application...
Due to limited office staff hours during the ongoing COVID crisis, no faxed Applications will be accepted at this time.

TRAINING DAY PROCEDURES & DETAILS:

- When you arrive for the start of training, you must bring your actual, physical driver's license.
If you have an out of state driver's license, you must bring your license AND Six Points of Identification (originals) to class with you.
Once your in-class training is complete, you will be awarded a Certificate as proof of completion.
At the end of Day 1, NJMVC will administer a written test. You must earn an 80% on the test.
At the end of Day 2, you will receive a Certificate for completing your Hands-On Training.

POST-TRAINING INL LICENSING PROCEDURES:

- After completing your Gasoline Hands-On Training on Day 2, NJMVC will make an appointment to visit you at your place of employment to administer the Gasoline Hands-On Test.
PLEASE NOTE: When MVC arrives to conduct the Gasoline Hands-On Test, you will need to present your Gasoline Hands-On Training Certificate...
If you opt to complete your Diesel Hands-On Training, NJMVC will make an appointment to visit you at your place of employment to administer the Diesel Hands-On Test.
PLEASE NOTE: When MVC arrives to conduct the Diesel Hands-On Test, you will need to present your Diesel Hands-On Training Certificate...
After receiving your NJ Emissions Gasoline Inspection License via mail, you must get your Biometric Finger Printing done in order to be able to inspect a vehicle.
