

NEW JERSEY EMISSION INSPECTOR TRAINING STUDENT APPLICATION TRAINING OVERVIEW

In order to be licensed as a Motor Vehicle Emission Inspector, an applicant must complete an approved training program that provides a detailed understanding of inspection related issues. NJGCA is proud to offer a course that is comprehensive and fulfills all state requirements. Our course curriculum includes an overview of state rules and regulations as they pertain to inspection and various emission repair issues. Technicians will be required to pass both a Written and Hands-On exam. Technicians passing these exams will be certified and licensed as Motor Vehicle Emission Inspectors (INL license holder).

TRAINING CLASS DATES

**WEDNESDAY, SEPTEMBER 22, 2021 &
THURSDAY, SEPTEMBER 23, 2021**

Final application submission is due no later than 12 noon on FRIDAY, SEPTEMBER 17, 2021.

NJGCA Members: \$489.00

Non-Members: \$539.00

To register, please complete the online application on the NJGCA homepage (a link will be emailed to you). An application is finalized once a complete application is submitted, which includes payment and copy of student's driver's license.

*****See Page 2 for Additional Details and Acknowledgments*****

PLEASE NOTE:

- * **All classes are limited to 10 students.** This limitation is imposed due to a State computer hardware testing limitation, and cannot be waived for any reason.
- * All classes are first come, first serve. If a student expresses an interest in a training session, but a completed application is not received before the deadline, the spot will be given to the next available student.
- * If we cannot accommodate a student at the session below, we are happy to keep the student's information on hand and welcome them to attend our next session.
- * **All training sessions are paid in full at time of registration.**
- * If a student registers, and subsequently does not attend the session they are registered for, a \$100.00 reservation service charge will be applied before any reimbursement is issued.
- * Please email the Training Coordinator at training@njgca.org with any questions.
