NJGCA Members Donate to Fulfill NJ Ahead of Holiday Season

Members of the gasoline, convenience store, and automotive industries in New Jersey provide over 8,000 meals to families in need amid holiday season

The New Jersey Gasoline, Convenience Store, and Automotive Association (NJGCA) again held their annual Turkey Drive this year amid ongoing inflation and rising cost of living. This only increased the need for the association to continue their generosity ahead of this holiday season. Eric Blomgren, Chief Administrator of NJGCA, released the following statement after delivering turkeys for Fulfill NJ, the food bank of Monmouth and Ocean counties:

“About a month ago, we sent out a notice to our members that we would be collecting donations for turkeys for Fulfill NJ, the food bank that serves Monmouth and Ocean counties. This time of year especially we know how important it is to give back to our communities, especially during challenging economic times for so many families that are facing a holiday without a special meal to feed their loved ones. With our donation of \$2,700 this year, Fulfill is able to provide over 8,000 meals this holiday season to families in need across Monmouth and Ocean counties.

“I want to thank our members and member benefit partners for heeding our call to action and really stepping up to make sure no one goes hungry during the holidays.”
