

**56:6-2.1. Price signs to be displayed in accordance with act**

All signs relating to the price of motor fuel being sold or dispensed by a retail dealer shall be used and displayed in accordance with the provisions of this act and the act to which this is a supplement.

L.1952, c. 258, p. 880, s. 1.

**56:6-2.3 Case for displaying prices; manner of stating prices.**

3. No retail dealer shall sell or offer for sale any motor fuel without having a. attached by a suitable bracket or slot arrangement in a manner regulated by the Director of the Division of Taxation to each pump or other dispensing equipment from which motor fuel is sold or offered for sale a weather-proof case of such dimensions as shall be prescribed by the director, or b. displayed by a sign or signs located on the premises and visible from any adjacent roadway in a manner and of such dimensions as shall be prescribed by the director, or c. both, as the director may prescribe, stating the price per gallon, or the price per gallon and per liter, at which motor fuel may be purchased from such pumps or other dispensing equipment. The price signs shall show the unit price per gallon, or if sold by the liter the unit price per gallon and the unit price per liter. If sold by the liter, the price per gallon shall be located on the top half of the sign and the price per liter shall be located on the bottom half of the sign on differing background colors, such colors to be designated by the director. Such unit price shall include all taxes imposed, whether State or Federal. Beneath the unit price there shall be either the statement:

"Includes (insert the tax per gallon) N.J.Tax-- (insert the tax per gallon) Federal Tax," "Includes State and Federal Taxes," "Includes N.J. and U.S. Taxes," or "Includes all Taxes."

The colors of all price signs shall be of such combination that the sign may be easily read by any person purchasing motor fuel from the pump or other dispensing equipment to which the sign is attached. Any figure or fraction used in any price computing mechanism constituting a part of a computing pump or any other dispensing equipment shall not be considered a price sign under the provisions of this section.

Price signs displayed in accordance with the provisions of subsection b. of this section shall include the price per gallon, or the price per gallon and per liter, for both cash and credit card purchases of motor fuel.

L.1952, c.258, s.3; amended 1981, c.230, s.4; 2011, c.152.

**56:6-2.4. No signs relating to prices to be posted except those authorized**

No sign stating or relating to the price of motor fuel and no signs designed or calculated to cause the public to believe that they state or relate to the price of motor fuel other than the signs provided for herein, shall be posted or displayed on or about the premises where motor fuel is sold at retail and within view from any public highway or reservation.

L.1952, c. 258, p. 882, s. 4. Amended by L.1981, c. 230, s. 5.
